

MADE IN SHEFFIELD have selected Sheffield's long established insurance brokers ECS to arrange exclusive and enhanced insurance and risk management products for its members.

By collaborating with leading brand insurers and a number of existing Made in Sheffield members, ECS has created a range of bespoke insurance and risk management products designed to recognise your own dedication to quality and give you the benefit of a combined buying power, right here in Sheffield.

Jason Reynolds, Managing Director of ECS Insurance Brokers had this to say:

"We are incredibly proud of the 'Made in Sheffield' brand. We want to protect it and the businesses that have made it the internationally recognised symbol of quality we see today."

"ECS is extremely proud of its Sheffield heritage. Taking pride in the quality of our services and the products we provide, we like to think that our values mirror those of the Made in Sheffield mark."

Andrew Liversidge, Managing Director - Tool & Steel Products Ltd

"I was delighted to pilot this initiative and saved over 15% on my insurance costs which to us is worth thousands. ECS have provided exemplary service and advice from the start and helped us make the most of being a Made in Sheffield member. I'd certainly recommend this product and it can only be a positive for Made in Sheffield"
